

Some people think that they have to get it all together before they can come to God. But, truly that is not the way that it works! If we had it all together then we wouldn't need a savior. Come to God, the creator of Heaven, Earth and you, just as you are and allow him to make the changes in you.

**Pray this prayer if you want to turn your heart over to God:**

**Heavenly Father:**

**I ask you to forgive me of all of my sins. I thank you for your Son, Jesus Christ who died on the cross of Calvary for my sins and through the sacrifice of his blood all my sins are washed away and forgiven. I believe that Jesus has risen again. Father, please change my life and help me to live a submitted life to you. I thank you for setting me free and making me a Child of God.**

**In Jesus Name, Amen**

You might wonder where do you go from here? If you said the above prayer then you are considered saved (from sin) and “Born Again” as referred to in the Holy Bible John Chapter 3 verse 3. “Born Again” simply means that you experienced a spiritual birth, unlike when your mother birthed you, which was a physical birth. When your spirit becomes alive to God it is spiritual birth.

Now that you are saved, it is important to ask God to lead you to a good bible-based church, so that you can grow spiritually and learn more about God. You are now a newborn baby in Christ no matter what age you are. Babies make mistakes, they fall and they get back up again. If that happens to you, ask God to forgive you in Jesus name and he will. Problems may still come and go, but the difference now is you have a savior to help you as the trials of life come and he will, just trust him.

To understand more about salvation (i.e. being a Born Again Christian) you can download the booklet *A New Day*, by Pat Robertson. You can retrieve the booklet by going to the Instruction for Living page on this site and look under the Referral Website listing. Daily reading of the Holy Bible will help you grow spiritually.

Congratulations, and welcome to the family of God!
